

Ellie's Gin Bar

Tarquins Gin 42% **£5.00**

Dry gin, fragrant handpicked Devon violets and fresh orange zest with an aromatic sensation unlike any other. It has notes of orange, juniper and a touch of spice.

Brockmans 40% **£4.20**

Made of angelica from Saxony, Bulgarian coriander and juniper berries from Tuscany. The more traditional notes of the gin are combined with the influence of citrus and aromatic wild berry. It's an intensely smooth gin with a beautifully crafted taste.

Pinkster 37.5% **£4.50**

Raspberry aromas with hints of freshness & juniper. A sharp beginning on the palate with a bold offering of raspberry that slowly mellows. A slight spice finish develops and lingers.

King of Soho 42% **£4.50**

Dry gin made in the memory of The King of Soho Paul Raymond. 12 botanicals are used in the production including coriander, grapefruit peel, angelica root and cassia.

Steam Punk Pirate 45% **£6.60**

This gin is not for the faint hearted! Specially developed by the boffin at The Northumberland Gin Company, this heady concoction of juniper, aris root, licourice, lemon, grapefruit, lime peels, cardamom and star anise is a masterpiece of the Gin Wizards art,

Pothecary 44.8% **£6.00**

A local Dorset gin made up of five individually distilled botanicals for extra taste and quality, which include; organic lavender, wild juniper, black mulberries, tilia flowers and Sicilian lemon peel. This particular gin is best served with fresh orange peel or grapefruit.

Ophir 40% **£3.50**

The mysterious, ancient spice route. An oriental Spiced gin with bursts of Citrus balanced with a rich aroma and a taste of soft spice. Ophir epitomises the exotic intensity of the Orient awakening the senses to a new style of gin

Brooklyn Gin 40% **£5.40**

A craft spirit made in New York with 100% fresh citrus peels and hand cracked juniper. It's fresh, complex, crisp and balanced. It offers bright fruit notes supported with a bold juniper backbone in the smooth dry finish.

Bath Tub Gin 43.3% **£4.20**

The gin itself bursts with juniper and citrus and has a viscous oily quality that can only assume comes from it being created using its traditional cold compounding method. It is bold, aromatic and extremely smooth.

Sharish Blue Magic Gin (Clitoria) 40% **£7.80**

Made of pure Portuguese origin, the blue comes from the clitoria ternatea flower which is 100% in colour. When the gin is mixed with soda water the blue lagoon turns to light pink.

Conker 40% **£4.20**

Balancing ten select botanicals with the Dorset notes of elderberries, samphire and handpicked gorse flowers this gin is fresh approach with no gimmicks or fuss just a top-notch small batch gin distilled locally.

Gunpowder Irish Gin 43% **£4.80**

This inquisitive taste is formed from oriental botanicals including orris root and meadowsweet and gunpowder tea, green tea that has been slowly dried and carefully rolled into shiny pellets. There are hints of a slight spicy freshness that shine through making it extremely enjoyable to drink.

Pothecary 44.8% **£6.00**

A local Dorset gin made up of five individually distilled botanicals for extra taste and quality, which include; organic lavender, wild juniper, black mulberries, tilia flowers and Sicilian lemon peel. This particular gin is best served with fresh orange peel or grapefruit.
